The screenshot shows the Effective Altruism website interface. At the top, there is a navigation bar with the Effective Altruism logo, a 'Donate' button, and links for 'Apply for Funding', 'Funds', and 'About'. On the right side of the navigation bar, there are 'Login' and 'Sign Up' buttons, which are highlighted with a red rectangular box. Below the navigation bar, the 'Funds' section is visible, featuring a 'Select All Funds' dropdown and a paragraph explaining that Effective Altruism Funds are managed by experts and that donations are pooled together. Below this text, there are four fund cards: 'Global Health and Development Fund', 'Animal Welfare Fund', 'Long-Term Future Fund', and 'Effective Altruism Infrastructure Fund'. Each card includes a 'Read more' link and a 'Donate +' button. Below the 'Funds' section, there is a 'Regranting Organizations (5)' section, which explains that these organizations don't take direct donations but instead send money to where they think it can be used most effectively. This section contains five organization cards: 'GiveWell', 'Animal Charity Evaluators', 'Center on Long-Term Risk', 'Centre for Effective Altruism', and 'Founders Pledge'. Each card also includes a 'Read more' link and a 'Donate +' button. At the bottom of the screenshot, there is a 'Non-profit Organizations (32)' section, which states that users can also donate directly to a number of selected high-impact non-profit organizations.

## *Toelichting:*

*Dit account is nodig omdat CEA ook verantwoording moet afleggen over de geldstromen (denk aan anti-witwasmaatregelen).*

*Je ontvangt alleen bevestigingen van betaling en geen andere mails. Met een account kun je ook een overzicht van je betalingen inzien.*

## Toelichting

- Bij **Funds** komt het geld in een fonds van CEA terecht, de fondsmanagers kiezen dan de organisaties waarvan ze de meeste impact verwachten (in dat domein)
- Bij **Regranting Organisations** is het effect hetzelfde als bij funds, maar de fondsmanagers zijn vanuit een andere organisatie
- **Non-profit organisations** zijn doelen die het geld besteden. Bij een donatie via dit platform loopt het geld wel via CEA, dat is dus wel de organisatie waaraan je doneert.

Effective Altruism Funds are managed by experts. When you donate to a Fund, your donation is pooled together with other donations, and then the Fund manager will allocate your donations to the organizations they believe will have the biggest impact. We recommend that most donors donate to these funds to maximize the impact of their donations. [Read more about how EA Funds works.](#)

*Toelichting:*

Alleen de UK-tak is geregistreerd als ANBI in Nederland. Door in euro's te betalen is dit bij de belastingaangifte makkelijker. Doordat de organisatie in de UK geregistreerd is, zijn er wel **wisselkoerseffecten** in de donatie.

NB let op gebruik komma/punt (1,500 is 1500 euro)

**Please consider using Credit/Debit Card**

If you're planning on donating via check or bank transfer for less than €1,000, we'd really appreciate you donating via the **Credit/Debit Card** payment option.

While this does attract fees upfront, it allows us to significantly lower our administrative costs, and for donations under €1,000 we think it's worth it.

It also means that you can donate on a monthly recurring basis, and you'll get your receipt much faster.

Thanks!

## *Toelichting:*

De UK valt binnen de SEPA-zone dus een boeking is mogelijk. Als je voor deze optie kiest ontvang je de instructies (bankrekeningnr. & betalingskenmerk) per mail.

Echter, vanwege de administratiekosten heeft de CEA voor bedragen onder de €1000 (en voor terugkerende betalingen) de voorkeur voor betaling met creditcard. Bedragen onder de €100 kunnen alleen met creditcard.
